Spinreel Dune Buggy Tours
541-759-3313

North Bend - Spinreel Dune Buggy and ATV will be conducting tours to the New Carissa wreckage sight on Fridays, Saturdays and Sundays from 10 am to 4 pm, weather permitting.

To get to the tour staging area, turn west on Trans Pacific Lane from Highway 101. Drive approximately 5 miles on Trans Pacific Lane past the BLM boat launch/day use area on the left to a large gravel parking area on the right.

There will be an information and tour sign-up table towards the back of the gravel parking lot.

Tours will be conducted Mondays, Tuesdays, Wednesdays and Thursdays with prior reservations, weather permitting. The cost is: 11 years of age and older \$25; Ages 4 to 10 \$10; 3 and under free. Call Spinreel at (541) 759-3313 for reservations and more information.

Currently, one of two barges is positioned to the north of the wreck; the second barge will be placed later in June. Removal operations will not begin until after both barges are positioned.

The sand road out to the site is open, but is very difficult to travel. A flag and a four wheel drive vehicle with good ground clearance is essential.
